ATLANTA – November 13, 2008 – Looking for a way to bring family and friends together for the holidays? VoiceQuilt (www.VoiceQuilt.com) is a unique gift like no other, delivering personalized messages that speak from the heart through a collection of vivid, recorded voices and memories preserved in a beautiful keepsake. With VoiceQuilt, loved ones hear how much they are cherished every time they lift the lid of their lovely handcrafted keepsake box. Demonstrated last year on *The Today Show* by Robyn Spizman, gift-giving expert and co-author of *Make It Memorable*, VoiceQuilt was featured as one of her top 10 “Personalized Gifts That Show You Really Care.”

Just in time for Christmas shopping, VoiceQuilt keepsakes are now available for purchase via Amazon.com, JewelryBoxes.com and MusicBoxes.com, as well as through VoiceQuilt's website. For the holidays, in addition to the company's traditional selection of handcrafted keepsake boxes, VoiceQuilt is offering several seasonal promotions. New items include a festive 2008 Christmas photo frame keepsake and -- for the first-time ever -- gift-givers shopping at Amazon.com, JewelryBoxes.com and MusicBoxes.com can choose from a special collection of wooden keepsake boxes that play classical Christmas songs and include a coupon enabling the keepsake box to be customized before the gift is given or later by the recipient.

“A VoiceQuilt is an ideal Christmas gift for Mom, a unique grandparent gift and a lovely personalized keepsake gift for anyone special on your holiday shopping list,” says Hope Flammer, founder of VoiceQuilt. “It can even become a new holiday tradition as keepsake memory cards with heart-felt voice messages are added annually to create an audio scrapbook of grandchild voices, favorite expressions, laughter and Christmas carols.”
